TRADE MARK REG.

MODEL 75

Overland
83

\$615

**With Electric Starter
and Electric Lights**

Here is another Overland Model. A brand new car at a brand new price. Many people prefer a car with advantage for the larger and higher priced cars but that is smaller, lighter and more economical to run.

Model 75 is a comfortable, family car with virtually all the advantages of the very large cars at a price which is well within your reach.

The body is the latest full streamline design with a one-piece cowl.

It is handsomely finished in solid black with bright nickel and polished aluminum fittings.

Five adults can ride comfortably.

The tires are four inch all around because we believe in the advantage of large tires. They insure greater mileage and comfort than can be obtained from the smaller

size used on other cars of similar specifications.

The motor is four cylinder, long stroke bloc type, having a 3 1-8 inch bore and 5-inch Horsepower is 20-25. It is of the most modern design.

It has high tension magneto ignition. This is the kind used on the most expensive cars.

The electric starting and lighting system is one of the most efficient on the market. It is of the two unit type.

The electric switches are conveniently located on the steering column. This is the same arrangement used on the highest priced cars.

It has the easy working Overland clutch which any women can operate. The pedals are adjustable for reach. The steering wheel is large and turns easily. The brakes are

large and powerful.

The rear springs are the famous cantilever type. These are probably the easiest riding and most shock absorbing springs ever designed. With these springs riding comfort is insured.

It has a one man mohair top.

In short, there is everything that makes this car up-to-date and comparable with many cars costing considerable more money.

You will be delighted when you see it. And when you ride in it you'll know instantly that this is your ideal of a modern automobile at your idea of a moderate price.

Other Overland models are—model 83 five passenger touring car \$750; the famous Overland Six, seven passenger touring car at \$1145. All prices f. o. b. Toledo.
